RFQ #2023-01**

PROFESSIONAL ENGINEERING AND EXTENSION OF STAFF SERVICES

**REQUEST FOR QUALIFICATIONS (RFQ) NO. 2023-01 - FOR PROFESSIONAL
ENGINEERING AND EXTENSION OF STAFF SERVICES.**

The South Seminole and North Orange County Wastewater Transmission Authority (“Authority”), is requesting qualification statements from an “Engineering Professional.” For the purpose of the RFQ, an “Engineering Professional” is a firm that holds a current certificate of registration under Chapter 471 as a registered engineer to practice engineering and that has documented experience in the preparation of engineering services and extension of staff services for public entities and meets the minimum qualifications described in the RFQ. In determining whether a firm is qualified, the Authority shall consider such factors as the ability of professional personnel; past performance; willingness to meet time and budget requirements; location; recent, current, and projected workloads of the firms.

Qualification packages must be received no later than **3:00 p.m. (local time) on Wednesday, July 19, 2023**. Any qualification packages received after the above-noted time will not be accepted under any circumstances. Any uncertainty regarding the time a qualification package was received will be resolved against the respondent. Qualification packages submitted after this designated time will be returned unopened.

Firms or companies interested in providing the Engineering services and extension of staff services shall submit electronically a pdf of their qualifications to the South Seminole and North Orange County Wastewater Transmission Authority Director by the submission deadline to the attention of:

Ed Gil de Rubio, Executive Director
