

**SOUTH SEMINOLE & NORTH ORANGE COUNTY WASTEWATER TRANSMISSION AUTHORITY
ITB NO. 2026-01 INVITATION TO BID (ITB) FOR WASTEWATER PUMP STATION
IMPROVEMENTS PROJECT**

The South Seminole & North Orange County Wastewater Transmission Authority (the "Authority") invites sealed Bids from qualified Contractors until 2:00 PM EST on Thursday, July 16, 2026, for a Wastewater Pump Station Improvements Project.

As part of the Authority's Capital Improvement Plan (CIP), this project includes improvements and/or rehabilitation at the following four wastewater pump stations: Arrow Place, Bear Creek, Eagle Circle, and Consumers, all of which are located in Seminole County, Florida.

A non-mandatory pre-bid meeting will be held on Thursday, June 25, 2026, at 10:00 AM at the Authority's office located at 410 Lake Howell Road, Maitland, Florida 32751. Attendance is strongly encouraged. Contractors are requested to contact Lawrence Rolle with CHA Consulting, the Authority's Consulting Engineer, via email at lrolle@CHAsolutions.com prior to the meeting to confirm attendance as well as to receive additional instructions.

All bids must be submitted in accordance with the requirements set forth in the Invitation to Bid (ITB) package. Interested Contractors may obtain the ITB package (including design drawings) from CHA Consulting, located at 3505 Lake Lynda Drive, Suite 109, Orlando, Florida 32817, by contacting Lawrence Rolle by telephone at 407-334-1317 or via e-mail at lrolle@CHAsolutions.com on or after Monday, June 15, 2026.

Sealed bids will be received by CHA Consulting, at their address above, until 2:00 PM EST on Thursday, July 16, 2026. All timely submitted bids will be publicly opened and read aloud at 10:00 a.m. on Monday, July 20, 2026, at the Authority's office at 410 Lake Howell Road, Maitland, Florida 32751. Any bid received after the stated deadline will not be accepted or considered. The Authority reserves the right to reject any or all bids, waive informalities or irregularities, and award the contract in the best interest of the Authority, subject to applicable law and Authority policies.

Although this project has been publicly advertised, the ITB package is available only through the Authority's Consulting Engineer's office. Electronic copies will be provided via email at no charge.

Questions regarding this solicitation must be submitted in writing to Lawrence Rolle with CHA Consulting via email at lrolle@CHAsolutions.com no later than Thursday, July 2, 2026, at 2:00 PM. Responses to questions, if any, will be issued only by written addendum.
